Welcome to Consumer Resources @ justicejunction.com. We're here to help you resolve a complaint with corporate America. It doesn't have to be a multi - million dollar company, any business that has made a mistake and refuses to fix it qualifies! Below I've listed some excellent resources for consumer advocacy and general all around good information for us as consumers. I hope that you find these links helpful. If you have a link you think should be posted here, email me!

- [Autopedia: Lemon Law Information and Sites](#)
Links to virtually all state "lemon law" statutes.
- [The National Highway Traffic Safety Administration \(NHTSA\)](#)
NHTSA's searchable database contains summaries of all recalls, all technical service advisories and all owner complaints on all vehicles manufactured since 1980. You can get the complaint number or investigative file number and obtain a copy of the complete NHTSA file
