About this List

This list of websites is compiled by a combination of your votes and fancy technology. You and millions of other users tell us which are the best web sites by rating them during your visits. We tally all the votes, analyze them and sort the list.

How to Join In

It's simple. Click on any web page in the list and a rating bar will appear at the top of the page. Rate the website by clicking the yes, no, or slightly button and your feedback will be added to the loop.
